

Thanks again to everyone who made our 2009 events a success. Hope everyone is having a good and productive spring! Here at CUE we've been busy working with the school and planning for our 4th year of alumni events in 2010.

We've confirmed dates for the 2010 CU Film Festival Los Angeles: June 9-11. We'll be having a reception co-sponsored with the university-wide Columbia Alumni Association after screening the 2010 faculty selects one night, and are planning a new alumni panel with the school as well. We'll also be at a new venue this year... Creative Artists Agency!

Further details and RSVP information to come...

Also, in case you missed it, we just posted the video of our 2009 Alumni Panel on Youtube ( [part 1](#)

Thanks to Ted Kim (SoA '98) for the Party photos and to our webmaster John Akin (SoA '99) for the panel video.
